## **A Message From Our President**

Members of the Arthur Hill High School Class of 1934 . . .

It has been twenty-five years since our last meeting as a group and these have been active and interesting years for all of us. Taking a quick look back makes these years appear to have been a period of many extremes.

We graduated during the most severe economic depression in history and have also seen the longest period of prosperity. Our years included the largest and most destructive war of all time and saw the formation of the United Nations in the most sincere bid for world wide peace. Industry recovered from the depression to become todays productive giant and the then just starting labor movement is now an equal force in our economy.

Our years included the golden age of aviation and the globe as we know it has no more faraway places. The advances in the arts, sciences and professions have been fantastic; and atomic energy, television, and orbiting in outer space have become a part of our newer language and knowledge. In the field of music we came all the way from Stardust to rock and roll and that is about as extreme as you can get.

In 1934, few of us could have realized we were on the threshold of so many new things and we are now entering another new era. This one will iclude the steeper stairway, the narrower hallway, and the smaller print. Most of us have children who are either in the process of getting an education or using the one they have. If our twenty-five years are any criterion, they surely have an interesting time ahead of them. The next twenty-five years will make just as much history as those just past so our fiftieth meeting should be a dandy. Let's all try to make that one.

*Bob Heindel*

# ARTHUR HILL HIGH SCHOOL

## LOYALTY SONG

We're loyal to you, Arthur Hill  
You'll find us true blue, Arthur Hill  
We'll back every move - for  
We know that you'll prove  
What's the right thing to do, Arthur Hill.

Rah! Rah!

You've played on the square, Arthur Hill.  
Let your knockers beware, Arthur Hill.  
We'll help you to win  
Just tell us where to begin  
Because we're loyal to you, Arthur Hill.

## March, March On Down the Field

March, march on down the field,  
Fighting for Arthur Hill.  
Break through (.....) line  
Their strength to defy.  
We'll give a loud cheer for Grube's men,  
They're here to win again.  
(.....) will fight to the end,  
But we will win.
